## ACKNOWLEDGEMENTS

To prepare the 2013 Self-Evaluation and Transition Plan Update, Granite City used the following plans as models for the revision of the City's original January 1994 document:

- City of Alton, Illinois Fall 2013 Update
- City of Elk Grove, California ADA, Title II, Self-Evaluation and Transition Plan
- The National Academies National Academy of Sciences National Cooperative Highway Research program ADA Transition Plans: A Guide to Best Management Practices
- City of Springfield, Illinois Americans with Disabilities Transition Plan (October 2011)
- Toward Universal Access: Americans with Disabilities Act Sidewalk and Curb Ramp Self-Evaluation Report for the City of Bellevue, Washington (September 2009)
- Town of Windsor, CA: ADA Self-Evaluation & Transition Plan, 2007 Survey Update

## INTRODUCTION

### *Background*

The Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1973, and the Civil Rights Act of 1964, was signed into law by President George Bush on July 26, 1990, and became effective on January 26, 1992. The ADA extends federal civil rights protection in several areas to people who are considered "disabled." The ADA seeks to dispel stereotypes and assumptions about disabilities, and to assure equality of opportunity, full participation, to independent living and economic self-sufficiency for disabled people.

Section 504 of the Rehabilitation Act of 1973 states that all entities including facilities, employers, and organizations that are federally funded must not discriminate against anyone with disabilities. All entities that receive Federal funding must provide a means for individuals with disabilities to have access to and participate in services and benefits provided by that entity.

The ADA has five titles. Most Granite City facilities fall under Title II of the ADA (Public Services and Transportation) while Auxiliary Aids and Services, New Construction Assurances and Special Events are covered under Title V (Miscellaneous Provisions). Title II of the ADA mandates that all policies, programs, services, and facilities in all activities of State and Local Governments do not discriminate against any person with disabilities and must provide a means for disabled persons to participate and have access to services provided by the State or Local Government regardless of the

funding sources that allow that government its policies, programs, services, and facilities.

Not every disabled person is covered by the ADA. Certain standards must be met for a person to qualify for the act's protection. To be considered "disabled" under the ADA, a person must have a condition that impairs a major life activity or a history of such a condition, or be regarded as having such a condition. A disabled person must also be qualified for the job, program or activity to which they seek access. To be qualified under the ADA, a disabled person must be able to perform the essential functions of a job or meet the essential eligibility requirements of the program or benefit, with or without an accommodation to their condition.

### ***Purpose***

The purpose of the City of Granite City, Illinois Americans with Disabilities Act (ADA), Self-Evaluation and Transition Plan Update is to identify areas within the City that fall behind the current standards for accessibility and develop a new plan to implement features that will address these issues, ultimately providing a safer, more user friendly City to the public, including those with disabilities.

### ***Prior ADA Self-Evaluation & Transition Plans***

The first ADA Self-Evaluation and Transition Plan was developed in January 1994. This document is available upon request in various formats, including large print, Braille, and audio copies. Please note that the 1994 document is no longer the current document as of the adoption of this new 2014 Plan.

Appendix E shows a record of the obstacles from the 1994 Transition Plan and the status of each obstacle, illustrating whether it has been removed or remains to be addressed.

### ***Current ADA Self-Evaluation & Transition Plans Refocus***

In order to move forward with improving the community in accordance to ADA standards, the original Self-Evaluation and Transition Plan document was updated. The following steps are being taken to develop a new plan.

- (1) Identify an ADA Coordinator
- (2) Establish a grievance procedure
- (3) Engage the community
- (4) Adopt ADA design standards and guidelines
- (5) Prepare self-evaluation & transition plan \*
  - (i) Determine barriers to accessibility
  - (ii) Describe how the barriers will be addressed
  - (iii) Determine barrier priority, budget, and schedule for physical

- improvements  
(6) Maintain & update documentation

\* See Appendix E for a record of obstacles removed under the 1994 Transition Plan as well as the status of obstacles identified under the original plan which remain to be corrected or removed.

## **(1) ADA COORDINATOR**

In order to establish a means to support the plan and execute its contents, Granite City has elected an ADA Coordinator, who will coordinate all aspects of ADA compliance. Any comments, suggestions, or additions to this plan may be directed to the ADA Coordinator:

Lynnette Kozer  
Office of Risk Management  
2000 Edison Avenue  
P.O. Box 73  
Granite City, IL 62040-0073  
(618) 452-6206

The ADA Coordinator shall be responsible for assembling an ADA Committee with which he/she shall convene on matters regarding this Transition Plan and other public ADA issues.

## **(2) GRIEVANCE PROCEDURE**

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs, employment, or benefits by the City of Granite City, Illinois.

The complaint should be filed by using the attached Access Complaint Form found in Appendix B, which can be obtained by visiting the City Clerk's office or visiting the ADA page of the City's website [www.granitecity.illinois.gov](http://www.granitecity.illinois.gov), filling it out and mailing it in to the ADA Coordinator. Alternative means of filing complaints, such as personal interviews or an audio recording of the complaint will be made available for persons with disabilities upon request.

The complaint should be submitted by the grievant and/or his designee as soon as possible, but no later than 60 calendar days after the alleged violation to:

Lynnette Kozer  
ADA Coordinator  
2000 Edison Avenue  
P.O. Box 73  
Granite City, IL 62040-0073

Within fifteen (15) calendar days after receipt of the complaint, the ADA Coordinator or his designee will meet with the complainant to discuss the complaint and the possible resolutions. Within fifteen (15) calendar days of the meeting, the ADA Coordinator or his designee will respond in writing and, where appropriate, in a format accessible to the complainant, such as large print, Braille, or audio recording. The response will explain the position of the City of Granite City, Illinois and offer options for substantive resolution of the complaint.

If the response by the ADA Coordinator or his designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within fifteen (15) calendar days after receipt of the response to the Mayor or his designee.

Within fifteen (15) calendar days after receipt of the appeal, the Mayor or his designee shall schedule a time to meet with the complainant to discuss the complaint and possible resolutions. Within fifteen (15) calendar days after the scheduled meeting, the Mayor or his designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

### **(3) ENGAGING THE COMMUNITY**

#### ***Communication of Public Rights***

According to Title II of the Americans with Disabilities Act, a public notice shall be provided describing the rights of the disabled and the City's responsibilities under the ADA. Below is a notice to the public concerning the Americans with Disabilities Act that can be viewed on the City's website, [www.granitecity.illinois.gov](http://www.granitecity.illinois.gov). Alternative means of accessing this document in various formats, such as large print, Braille, and audio copies are available upon request.

#### **Notice under the Americans with Disabilities Act**

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Granite City will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

*Employment:* Granite City does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the ADA.

*Effective Communication:* Granite City will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in Granite City's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

*Modifications to Policies and Procedures:* Granite City will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in Granite City offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of Granite City, should contact the office of the ADA Coordinator as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the City of Granite City to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of Granite City is not accessible to persons with disabilities should be directed to the ADA Coordinator.

Granite City will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

### ***Public Meetings***

An important aspect of developing this Transition Plan and keeping it up-to-date will be to engage the community and seek their input on what needs to be addressed to meet ADA requirements. To do this, a public meeting will be held once a year to discuss the contents of the plan. A notice will be given at least two (2) weeks in advance of the meeting. In addition, the City's ADA Coordinator will be receptive to any comments or suggestions to the plan throughout the year.

In order to communicate the Transition Plan to the public, this document is available upon request in various formats, including large print, Braille, and audio copies.

#### **(4) ADOPTION OF ADA DESIGN STANDARDS & GUIDELINES**

The City of Granite City is committed to serving the community and ensuring the needs of individuals with disabilities are met by incorporating facilities that abide by the Americans with Disabilities Act. In doing so, the City has adopted a number of codes and standards to follow.

The following report and attachments are the Self-Evaluation and Transition Plan mandated by the ADA for the City of Granite City facilities, and have been written using the ADA's "readily achievable barrier removal and alternate methods" codes and standards and the Illinois Accessibility Code (IAC) which supersedes the ADA Accessibility Guidelines (ADAAG) standards in several areas. (Barrier removal actions must comply with ADA/IAC standards unless doing so is not readily achievable or would result in an unsafe condition.) The following is a list of codes and regulations that the City of Granite City has adopted for the purpose of providing a more accessible city to the public:

1. American's with Disabilities Act, ADA Compliance Guide June, 2013 (updated monthly), Thompson Publishing Group, 1725 K Street, N.W. Suite 200, Washington, D.C. 20006.
2. Public Rights of Way Accessibility Guidelines (PROWAG), Published in the Federal Register on July 26, 2011.
3. Department of Justice Technical Assistance Manual (Title II), Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act, published in the Federal Register on September 15, 2010.
4. American National Standards for Building and Facilities, Providing Accessibility and Usability for Physically Handicapped People, ANSI A117,1-1986, by American National Standards Institute, 11 West 42nd Street, New York, New York 10036. (Approved October 1, 1986.)
5. Illinois Accessibility Code, State of Illinois Capital Development Board, Effective May 1, 1988, State of Illinois Center, 14th Floor, 100 West Randolph Street, Chicago, Illinois 60601 Effective April 24, 1997
6. Americans with Disabilities Act, Public Law 101-336, including 42 U.S.C., Sec. 12007 et. seq., 47 U.S.C. 225 and 611 and 29 U.S.C., Sec. 706.
7. Part IV Department of Justice, Office of the Attorney General 28 CFR Part 35, dated Friday, June 20,1994, Nondiscrimination on the Basis of Disability in State and Local Government Services; Final Rule, in Federal Register.

## **(5) SELF-EVALUATION & TRANSITION PLAN**

The City of Granite City, Illinois, with offices located in Granite City City Hall, in Madison County Illinois, has performed a Self-Evaluation of all services, practices, policies, and existing facilities to determine the effects thereof on persons with disabilities. As necessary, recommended modifications and adjustments, including time frames, are listed. This document is available upon request in various formats, including large print, braille and audio copies.

There is inter-relationship between Granite City and Granite City Township, due to the similarities between the city council and township board. It is recommended Granite City Township complete an independent ADA evaluation and transition plan.

### ***Auxiliary Aids and Services***

The City of Granite City shall work with The Granite City Community School District No. 9 through their District Office at 1947 Adams Street in Granite City, Illinois to create a list of interpreters for public meetings or any other public program held by the City of Granite City. The City Clerk's Office shall be the keeper of the master list. All City office personnel should be made aware of this requirement and the procedure to contact an interpreter. The City Clerk's Office shall prepare the initial list within one (1) month of adopting this Transition Plan and shall update the list at least once per year.

It is recommended all City offices become familiar with the Illinois Message Relay Service.

Any information which is distributed by the city must be available in Braille, large print or audio formats if requested. The City should identify resources for accessing such formats should the need arise in the future. (See resource list in Appendix A)

All agendas and notices for all public meetings of the City of Granite City shall add the phrase, "If prospective attendees require an interpreter or other accommodations, please contact the City Clerk's Office at 618-452-6200 no later than 48 hours prior to the commencement of the meeting to arrange the accommodations."

The City of Granite City shall create policies for responding to requests for interpreters and for generating documents in alternative formats (i.e. Braille). This policy shall include instructions for City staff on how to process such requests and the reasons denial may be given. In the event that the City of Granite City must deny a request for an interpreter, the reasons for this denial shall be stated in writing. This policy shall be adopted within a three (3) month period after the adoption of this Transition Plan.

The City will ensure new facilities and remodeling facilities are reviewed for compliance with ADA and/or the Illinois Accessibility Code (IAC) Standards.

### ***Training of Personnel***

Employees of the City of Granite City that interact with the public as part of the normal duties of their job shall be trained on how to process requests for interpreters, including requests for documents in alternative formats, and how to work any equipment associated with such requests. The ADA Coordinator, working with the Personnel Director, shall be responsible for creating this training. Due to the range of duties performed by employees of the City of Granite City, the research and preparation for the training shall take place after the adoption of this Transition Plan. Each employee that is subject to the training requirements shall be trained initially within one (1) year of the adoption of this Transition Plan. Training shall be held annually for all employees subject to this requirement on an annual basis.

The Police and Fire Departments already receive training as it relates to their respective fields and ADA. Therefore, this training shall continue and be held annually after the adoption of this Transition Plan.

All certificates of completion by employees required to complete training shall be on file in the Personnel Office.

The Personnel Director shall create accommodation criteria for current employees, prospective employees, and applicants for employment with the City of Granite City. This criteria shall be adopted within one (1) year of the adoption of this Transition Plan.

### ***Emergency Responder Communications***

All 911 calls are dispatched through the dispatcher at the Granite City Police Department. All incoming calls through the 911 software system are displayed on the dispatcher's computer screen. Specific needs, such as a "deaf caller" are identified on the screen for the dispatcher's information and use.

The Granite City Fire Department shall establish written procedures to ensure that the input from persons with a variety of disabilities and organizations with expertise in disability issues are included in all phases of emergency planning. These plans shall include provisions for dealing with individuals that use wheelchairs or scooters, people who use medical equipment, and people with service animals. This recommendation shall be completed within six (6) months of the adoption of this Transition Plan.

The Granite City Fire Department shall work with local service organizations and organizations that provide shelter and assistance in the event of an emergency to ensure that their facilities follow ADA Guidelines and that their staff is appropriately trained. This recommendation includes the creation of supply materials in alternative formats (i.e. Braille). This recommendation shall also apply to mass care shelters. This recommendation shall be completed within six (6) months of the adoption of this

Transition Plan.

The Granite City Fire Department, working with the Granite City Police Department, shall create voluntary, confidential registries of persons with disabilities who may need individualized notification, evacuation assistance, and/or transportation. These registries may follow the procedures of the Premise Alert Program. They shall establish procedures to ensure that the registries are voluntary, guarantee confidentiality to those who register, and include a process to periodically update the information contained in the registry. Outreach should explain the purpose of the registries, provide assurances of confidentiality, explain procedures for registering, and include procedures for people who, because of their disabilities, need assistance in registering. A copy of the Premise Alert Notification Form is attached in Appendix B and can be obtained separately by visiting the City Clerk's office or visiting the ADA page of the City's website, [www.granitecity.illinois.gov](http://www.granitecity.illinois.gov).

The Granite City Fire Department shall develop training instructions for staff, volunteers, and organizations that perform duties related to emergency notification, evacuation, transportation, the routing of people with disabilities and their families to shelters, and the shelters themselves.

The Granite City Fire Department has created and reviews emergency evacuation plans and strategies for all City-owned buildings that are open to the public. These plans shall have provisions for dealing with persons with disabilities. These plans will be reviewed on an annual basis.

### **Websites**

All websites operated by the City shall be reviewed to ensure individuals with disabilities can easily access all information shown on each page. The ADA Coordinator shall create a committee comprised of representatives that design and operate the City's website within three (3) months of the adoption of this Transition Plan. This committee shall review each webpage to evaluate the access barriers and begin addressing the deficiencies within six (6) months of the adoption of this plan. A checklist is provided in Appendix C to determine what features may need to be addressed on each webpage.

As the website is continually updated, the ADA Coordinator and the committee of City website representatives shall meet and create policies to ensure all webpages are designed to be accessible to all individuals who wish to view its content. These policies must then be communicated to all individuals who help design and operate the City's website.

### ***Assessment of Existing Buildings***

The City of Granite City has an ownership interest in many buildings and facilities. An inventory of these properties can be viewed in Appendix D.

In addition to the properties listed in Appendix D, the City also owns several vacant structures and underdeveloped lots that are not open to the public. Evaluations of these properties for compliance shall occur when development or rehabilitation occurs.

The ADA Coordinator, working with appropriate department heads, shall evaluate all of the properties listed previously and outline any defects that exist in these facilities using the appropriate checklist attached in Appendix C. All properties shall be evaluated within three (3) years of the adoption of this Transition Plan, with priority given to those buildings that are open to the public for City business on a daily basis.

The Granite City Fire Department shall create emergency evacuation plans for all City-owned facilities. These plans shall include evacuation information for persons with disabilities. A diagram for escape routes shall be prominently displayed in each facility and made available in alternative formats upon request. These plans shall be in place within one (1) year of the adoption of this Transition Plan.

Any public facilities created after the adoption of this Transition Plan shall be compliant with all aspects of the Americans with Disabilities Act and will be inspected for compliance prior to opening to the general public.

### ***Assessment of Public Rights-of-Way Improvements***

The City will conduct an evaluation survey of existing streets, curbs, sidewalks, ramps, crosswalks and traffic signals within public right-of-way using the checklist included in Appendix C.

A City-wide inventory of these facilities within public rights-of-way has been prepared using available record information and site investigations. Sources used to complete this inventory (Oct 2013-Dec 2013) are: street improvement project plans, Google StreetView, and site visits. The inventory is intended as a starting point to begin planning self-evaluation for ADA compliance. It can be viewed in Appendix F.

The first phase of the Transition Plan will develop policies and guidelines for compliance with ADA requirements, and develop a Geographic Information System (GIS) database.

The second phase will be to collect information on sidewalks, curbs, access ramps and crosswalks, etc. showing areas that appear to be non-compliant using Geographic Positioning System (GPS) equipment to obtain detailed location pictures, and a

description of the condition. Areas of concern will be prioritized. Areas of high pedestrian traffic use will receive a higher priority score.

Due to limited funding, and time to complete the inventory of the condition of the City's infrastructure, priority for the inventory will be given to those areas within the City of high pedestrian traffic around public buildings and schools.

Higher priority will also be given to areas where City personnel are receiving information, and/or complaints from residents concerning the condition of existing sidewalks, and crosswalks. These will be investigated and prioritized for repairs to be ADA compliant.

The City of Granite City will continue to work closely with Madison County Community Development and the Illinois Department of Transportation to maximize matching grant funding for infrastructure improvement projects. A summary of recent projects completed is attached in Appendix G.

### ***Handicapped Parking Permits***

Individuals interested in having a designated Handicapped Parking Location along the public Right-of-Way in the vicinity of their primary residence are required to complete the application referenced in Appendix B. Upon receipt of the completed application, it shall be reviewed by the appropriate City Representatives. Upon approval, the application will be forwarded to the City Council to have an Ordinance adopted designating said location. The Handicapped Parking location will be under the approval and time constraints designated in said Ordinance. Ordinance No. 8399 is attached in Appendix B as a Sample of said restrictions. The Ordinance will remain in use for two years without further action by the City Council.

## **MAINTAIN AND UPDATE DOCUMENTATION**

In order to keep the Transition Plan on track and updated and to evaluate the goals for each coming year, the ADA Coordinator shall meet with the ADA Committee once a year. Following this meeting, necessary changes and updates will be made to the Transition Plan, which will then be discussed at the yearly public meeting selected to discuss these issues.

## Premise Alert Notification Form

City of Granite City Fire Department

The Illinois Premise Alert Program (Public Act 96-0788) provides for Public Safety Agencies in the State of Illinois to allow people with special needs to provide information to police, fire and EMS personnel to be kept in a database. The information can then be provided to Police/Fire/EMS units responding to the specified locations in dealing with situations involving the Special Needs individuals.

The information provided by you will be kept confidential and used only to provide Police, Fire and EMS personnel responding to specified locations with the information needed to deal with situations or emergencies involving a Special Needs person.

The notification expires and the information will be deleted from the database 2 (two) years after the date it is submitted. You may update or renew it at any time by submitting a new form.

Please return the completed form by Fax to 618-452-6232 or mail to:

Granite City Fire Department  
2300 Madison Avenue  
Granite City, IL 62040-4750

The data is provided by the individual or other person in order to provide responding Police, Fire or EMS personnel information to assist them in providing emergency services. The information will be entered into a database maintained by the Police and Fire Departments and may be shared with other police, fire or EMS agencies as needed to provide services to the individual. The information on the special needs person will be associated with the address provided and will be provided to police, fire or EMS units responding to the address.

The individuals must understand that the information provided here will not result in any type of preferential treatment to the individual and that the City of Granite City, its police and fire departments nor any other responding agencies will not be held liable for duties relating to the reporting of special needs individuals.

I also understand that if any of the attached information changes, I must notify the Granite City Fire Department by filing an amended request form. The information will self-expire 2 (two) years from the date received by the Fire Department and will be deleted from the database. I must renew the form if I want the information kept in the Police and Fire database.

I understand and agree to these terms:

**SECTION A:**

Definition: PERSONS WITH DISABILITIES

"A natural person who, as determined by a licensed physician (1) cannot walk without the use of, or assistance from, a brace, cane, crutch, another person, prosthetic device, wheelchair, or other assistive device; (2) is restricted by lung disease to such an extent that his or her forced (respiratory) expiratory volume for one second, when measured by spirometry, is less than one liter, or the arterial oxygen tension is less than 60 mm/hg on room air rest; (3) uses portable oxygen; (4) has a cardiac condition to the extent that the person's functional limitations are classified in severity as Class III or Class IV, according to standards set by the American Heart Association; (5) is severely limited in the person's ability to walk due to an arthritic, neurological or orthopedic condition; (6) cannot walk 200 feet without stopping to rest because of one of the above five (5) conditions."

(Please fill in the name of the person with the disability, state the diagnosis and indicate the impairments below.)

Name of person with Disabilities: \_\_\_\_\_

Diagnosis: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_ Is restricted by lung disease to such a degree that the person's forced (respiratory) expiratory volume (FEV) in one second, when measured by spirometry, is less than one liter.

\_\_\_\_\_ Uses portable oxygen.

\_\_\_\_\_ Has a Class III or Class IV cardiac condition according to the standards set by the American Heart Association.

\_\_\_\_\_ Cannot walk without the assistance of another person, prosthetic device, wheelchair, or other assistive device.

\_\_\_\_\_ Is severely limited in the person's ability to walk due to an arthritic, neurological or orthopedic condition.

**LENGTH OF DISABILITY:** Check One

\_\_\_\_\_ Disability is permanent

\_\_\_\_\_ Disability is temporary – MUST state duration (Maximum 6 months).

I hereby certify that the physical condition of the person with disabilities listed herewith constitutes him / her as a person with disabilities.

\_\_\_\_\_  
Physician's Signature

\_\_\_\_\_  
Physician's License Number

\_\_\_\_\_  
Supervising Physician's Name

\_\_\_\_\_  
License Number

**PLEASE PRINT OR TYPE BELOW:**

Physician's Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip Code: \_\_\_\_\_

Telephone: (\_\_\_\_\_) \_\_\_\_\_

Please mail all required documentation to: The City of Granite City, City Hall, 2000 Edison Avenue, Granite City, IL 62040

**SECTION B:**  
PERSON WITH DISABILITIES

I hereby apply for:

\_\_\_\_\_ Person with Disabilities Handicap Parking

I certify that my physical condition entitles me to the issuance thereof. I am also aware that the person with disabilities parking must be used by handicap parking person ONLY.

\_\_\_\_\_ Date

\_\_\_\_\_ Applicant's Signature

**PLEASE PRINT OF TYPE BELOW:**

Name of Individual with Disability	_____ OR _____ Male                  Female	Date of Birth (Month/Day/Year)
Address	City	Zip
Driver's License No. or State ID Card No. of Individual with Disability	Telephone (     )	

**HANDICAP PARKING FOR PARENT, IMMEDIATE FAMILY MEMBER OR LEGAL GUARDIAN ONLY:**

I hereby apply for handicap parking as the parent or legal guardian of the individual with a disability. The above named person with Disabilities owns no vehicles and relies frequently on me for his / her mode of transportation.

Parent's Name, Legal Guardian's Name or Family Member's Name		Date
Address	City	Zip
Telephone (     )	Relationship to Disabled Person	

ORDINANCE NO. 8399

**AN ORDINANCE ESTABLISHING A HANDICAPPED PARKING SPACE FOR TWO YEARS  
AT 116 WILSON PARK LANE WITHIN THE CITY OF GRANITE CITY, ILLINOIS, AND  
REPEALING ORDINANCE 8374, ADOPTED AUGUST 19, 2013**

WHEREAS Sections 10.34.190 through 10.34.200 of the Granite City Municipal Code provide for the establishment of vehicular parking spaces reserved for the use of physically handicapped persons or disabled veterans; and,

WHEREAS it is the recommendation of a Committee of the City Council that certain handicapped spaces be designated by the City Council,

**NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY  
OF GRANITE CITY, AS FOLLOWS:**

**SECTION 1:** There is hereby designated one handicapped parking space at **116 Wilson Park Lane** within the City of Granite City, Illinois, per Granite City Municipal Code Sections 10.34.190 and 10.34.195, as now or as hereafter amended. It is hereby declared unlawful to park any motor vehicle in said handicapped parking space, which is not bearing registration plates or decals issued by a Secretary of State designating the vehicle is operated by or for a handicapped or disabled person.

**SECTION 2:** The Public Works Department for the City of Granite City shall clearly mark and identify the said handicapped parking space by erecting and maintaining one or more disabled parking signs, in a form approved by the Department of Transportation, at said handicapped parking space designating said parking restriction.

**SECTION 3:** It shall hereby be illegal for any person, firm, corporation, agent, association, or employee to park any motor vehicle at any time in violation of the reservation and restriction created herein. Any person, firm, corporation, agent, association, or employee who violates any provision of this ordinance shall be subject to a fine as provided by Section 10.34.200 of the

Municipal Code, as now or as hereafter amended. A separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

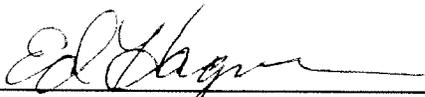

**SECTION 4:** The terms of any ordinances or provisions thereof in conflict herewith are hereby repealed.

**SECTION 5:** This Ordinance shall be in full force and effect from and after its passage and approval. This Ordinance shall sunset and expire without further action by the Granite City City Council, and be without force or effect, on and after November 19, 2015.

**SECTION 6:** Ordinance 8374, adopted on or about August 19, 2013, authorizing a handicap parking sign at the same location but without duration as to time, is hereby repealed. The City Clerk may publish this Ordinance in pamphlet form, and send notice of this Ordinance by first class mail, to the affected premises.

**PASSED** by the City Council of the City of Granite City, Illinois, this 19<sup>th</sup> day of November, 2013.

APPROVED:

Edward Hagnauer, Mayor

ATTEST:

Judy Whitaker, City Clerk

## **APPENDIX C – SELF-EVALUATION CHECKLIST FORMS**

### Sample Checklist of items to be inventoried for ADA Compliance

- Self-Evaluation of Public Buildings
- Self-Evaluation of Auditoriums
- Self-Evaluation of Medical Care Facilities
- Self-Evaluation of Recreation Facilities
- Self-Evaluation of Public Library Facilities
- Self-Evaluation of Child Service Facilities
- Self-Evaluation of Transportation Facilities
- Self-Evaluation of Correctional Facilities
- Self-Evaluation of Public Sidewalks within Right-of-Way
- Self-Evaluation of Public Curb Ramps within Right-of-Way
- City Website Accessibility

**Accessibility Checklist according to Illinois Accessibility Code (IAC)**

Instructions: Use the checklist below with the respective IAC Section to determine whether the Building Component/Feature is compliant or not. In the appropriate column, mark the compliancy with an "X". If the feature is non-compliant describe what is non-compliant about it and how it can be fixed to become compliant. Rate the overall priority, determine the cost, and decide upon a date to begin addressing the obstacle.

**APPENDIX E – 1994 TRANSITION PLAN OBSTACLE REVIEW**

**1994 Transition Plan Obstacle Review**

The following is an inventory of the obstacles that were evaluated in the 1994 Transition Plan. Each obstacle was reviewed to determine if it has been addressed or still remains to be addressed. It is recommended that the obstacles that still remain to be addressed are put on a level of high priority.

Building	Address	Description of Obstacle	Description of Suggested Solution	2014 Evaluation	Remarks
City Hall	2000 Edison				
		Improperly signed and striped disabled parking spaces.	Install proper accessible parking and fine signs at each accessible parking space. The space adjacent to the door should be restriped to meet IAC.		
		Non-accessible entrances	Designate and install proper signage to direct disabled persons to the accessible entrance on the ground floor. Handicap spaces near entrance.		
		Tactile signage not up to current standards	Upgrade tactile signage to meet current standards		
		No tactile warning devices at any stair cases in the building	Install tactile warning devices to all stair cases		
		First floor restroom water supply and return lines are not insulated to prevent scalding injuries	First floor restroom water supply and return lines need to be insulated		
		Second floor restrooms not accessible	Second floor restrooms need directional signage indicating accessible restrooms are on the first floor.		
		Door hardware on City offices not accessible	Replace existing door hardware to make all City offices accessible	Compliant	Installed push buttons to open doors automatically
		Service counter heights exceed required height of 36"	Place clipboard on each office counter		
		No assistive listening devices available to the hearing impaired	Purchase assistive listening system with at least 3 portable receivers and post a notice of its availability inside the council chambers		
		No fire alarm system	Install an audio and visual fire alarm system		
		Elevator call button plate has no braille signage	Install new call button plates with appropriate braille signage	Compliant	
		Water fountains not accessible	Install proper accessible operating control mechanisms on existing fountains and install paper cup dispensers on wall adjacent to fountain.		
		Public telephone height exceeds maximum height of 48" and are not equip with proper amplifying device	Phone company to come make the necessary adjustments		
		No braille on building directory	Replace existing directory with new directory with braille. Also suggest auxiliary directory be installed		
Building Inspection Office	N/A			N/A	Offices moved to City Hall. Any obstacles listed in 1994 plan are now obsolete.
