RESOLUTION _____

A RESOLUTION AUTHORIZING THE TERRACE LANE HOMEOWNERS' ASSOCIATION TO REPAIR MONUMENT SIGN

WHEREAS, the City of Granite City is a Home Rule unit pursuant to Article VII, Section 6, of the Illinois State Constitution of 1970; and

WHEREAS, for many years a monument sign stands at the intersection of Pontoon Road and Terrace Lane within the corporate limits of the City of Granite City, identifying the Oaklawn Terrace subdivision; and

WHEREAS, an unincorporated association of homeowners and residents of said subdivision approached the City of Granite City, requesting permission to repair and maintain the monument sign identifying the entrance to their subdivision, entirely at the private expense of said residents, and not requiring expenditure of public funds on the sign itself; and

WHEREAS, the Granite City City Council finds maintenance and repair of such an iconic monument sign at the entrance to said subdivision will promote the appearance, character, and neighborhood pride of that subdivision, consisting of Terrace Lane, Janday Lane, and Oaklawn Drive, all without expending public funds on the repairs.

NOW, THEREFORE, be it resolved by the City Council of the City of Granite City, Madison County, Illinois, that the Homeowners' Association of Oaklawn Terrace, be authorized to hire professional and licensed contractors to conduct repairs to the monument sign located at the intersection of Pontoon Road and Terrace Lane, all subject to an

d conditioned upon the approval of the police department, Public Works Department, Risk Manager, and the Building and Zoning Administrator, of the City of Granite City. This authorization is further conditioned upon the contractors and all persons performing work on the

sign, providing the City Risk Mananger in advance proof of their general liability and workers compensation insurance coverages. It is not the intent of this resolution to waive any inspection licensure or permitting requirements normally required by City Ordinance or State law. The permit fees otherwise ordinarily required under City Ordinance may be waived for the work performed on said monument sign.

Dear Mayor Hagnauer and Members of the Granite City City Council,

The Legal and Legislative Committee requested May 17 that I report back concerning liquor license location requirements, in the Ordinances of other municipal governments in Illinois. My report is as follows.

The County of Madison, and the Cities of Collinsville, Edwardsville, Carbondale, and Buffalo Grove, Illinois, all prohibit issuance of liquor licenses for the sale at retail of any alcoholic beverage, within 100 feet of any church, school, or home for the aged or indigent persons. The City of Collinsville further prohibits the sale at retail of any alcoholic beverage within 450 feet of any public housing development containing 200 units. Similarly, the City of Alton prohibits the sale at retail of any alcoholic beverage, within 200 feet of any church, school, hospital, home for the aged or indigent persons, or other specified uses.

Madison County Ordinance prohibits retail sale of alcohol within 100 feet of any mortuary. None of the City Ordinances I reviewed as part of my sampling, prohibited issuance of a license for the sale of liquor at retail, near a mortuary.

The 100 foot boundaries are measured property line to property line in Collinsville. Most other Ordinances reviewed, measure from building to building.

Because Illinois has over 6,000 local governments, I researched the question by reviewing the Ordinances deemed representative, as a sample. I chose as my representative sampling the municipal Ordinances of Alton, Collinsville, Edwardsville, and Madison County, because of their proximity to Granite City, Illinois. I chose the Cities of Carbondale and Buffalo Grove because they are Home Rule Units, cited on the Illinois Municipal League website as having representative liquor control Ordinances. The IML website does not have a recommended or model liquor control Ordinance. Recent amendments to Ordinances might not be reflected in my research.

Thank you for your question. Please advise if any further work is needed in this regard.

Yours very truly,

Brian Konzen

ORDINANCE NO. _____

AN ORDINANCE ESTABLISHING PREVAILING WAGES

WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, 820 ILCS 130/1, et seq. as amended; and

WHEREAS, the aforesaid Act requires that the Corporate Authorities of the City of Granite City, Illinois, investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said City of Granite City employed in performing construction of public works, for said City of Granite City,

THEREFORE, BE IT ORDAINED BY THE MAYOR AND THE CITY COUNCIL OF THE CITY OF GRANITE CITY, MADISON COUNTY, ILLINOIS, hereinafter referred to as "City", as follows:

SECTION 1: To the extent and as required by "An Act regulating wages of laborers, mechanics and other workers employed in any public works by State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of the City is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Madison County area as determined by the Department of Labor of the State of Illinois as of June of the current year, a copy of that determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's June determination and apply to any and all public works construction undertaken by the City. The definition of any terms appearing in this Ordinance which are also used in aforesaid Act shall be the same as in said Act.

SECTION 2: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of the City to the extent required by the aforesaid Act. The limitations on the application of this Ordinance include, but are not limited to, the limitations imposed by 820 ILCS 130/3, as now or hereafter amended.

SECTION 3: The City Clerk of the City shall publicly post or keep available for inspection by any interested party in the main office of the City this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.
