Job No. 999970

Subject: Surface Transportation Program (STP) - Fehling Road Agreement

---

As requested, we have prepared an agreement for the preliminary engineering for the Fehling Road – Phases 1 & 2 reconstruction. Phase 1 was selected for construction funding through the East-West Gateway solicitation for STP projects in 2015 and Phase 2 was selected in the 2016 funding round. The City has received a letter stating that Phase 1 of the project has been moved up to FY 2017 which means that construction can begin prior to July 1, 2017. The current construction funding year for Phase 2 is FY 2020 which means that construction can start after July 1, 2019.

Phase 1-is a roadway reconstruction project from Nameoki Road to the Concrete section at the curve behind the ball diamond. Phase 2 is from the concrete patch at the ball diamond to state street intersection.

It is important to combine Phase 1 and Phase 2 Engineering services together because they both phases require a project report which is a significant expense. By combining them together there is a cost savings and a reduction in approval time through reviewing Governmental Agencies..
