Low-income students come from families receiving public aid; live in institutions for neglected children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Chronic Truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Mobility Rate is based on the number of times students enroll in or leave a school during the school year.
